**Publication of Facsimile Reproductions**

In many cases, the Divinity Library does not hold the copyright to materials in its collections and so cannot grant or deny permission to publish them, nor can the Library assume responsibility for determining their copyright status. Regardless of the legal copyright status, the Divinity Library would like to receive notice of the publication of its materials via this form. If we clearly hold copyright of the materials in question, this will be indicated below and the form will be signed by a Library representative to grant permission for publication. Otherwise this form simply serves as notification.
